Base applications.

Why Opt In to Home Base?

Opt In to Home Base

Included at no cost:

IAM, PowerSchool,

Optional components (ADM Based Cost):

- Schoolnet,
- NCEES (Evaluation, State-Created Professional Development and Locally-Created Professional Development Office),
- Canvas

Schoolnet

Schoolnet is an instructional improvement system designed to facilitate formative and summative assessments and provide educators with immediate performance data that can inform instruction.

- Access to Schoolnet is included in the \$1 per ADM opt-in for Home Base
- Students can take assessments online or via paper/pencil
- Schoolnet has over 100,000 assessment items aligned to North Carolina Standard Course of Study, including items in Spanish.
- Schoolnet has accommodations support for read aloud, color contrast, extended time, and line reader accommodations for online testing.
- Schoolnet connects to PowerSchool and assessment grades are easily transferred into PowerTeacher Pro.

Schoolnet One Page Information Guide

Canvas

Canvas is a learning management system that supports the instruction of students in a face to face, blended, or online delivery format.

- Access to Canvas is available via convenience contract with a price of \$3.74 per user per year.
- Canvas allows rich user collaboration with built in video conferencing and feedback tools.
- Canvas integrates with Google and Microsoft for seamless transfer of documents and materials.
- Access to Canvas also includes NC Canvas Commons, a repository of ready to use courses for student instruction and professional learning.
- Canvas Blueprint allows you to easily create and control instructional design with master courses to make it easier for teachers to start teaching with premade content.

Canvas One Page Information Guide

#GoOpenNC

#GoOpenNC is a FREE collaborative platform for North Carolina Educators to find, share, and revise supplemental instructional materials aligned to North Carolina Standard Course of Study.

- Access #GoOpenNC from the NCEdCloud IAM tray.
- Educators can search resources by standard, grade level, subject area, and/or keyword.
- Evaluate resources using North Carolina Quality Review Rubric.
- Collaborate with educators across the state usings hubs and groups.
- #GoOpenNC has an LTI integration for most LMS systems including Canvas and Blackboard
- While #GoOpenNC is free, it is not Google and resources are curated and aligned to NC standards.

Imagine Math

Imagine Math is a supplemental math program for students in K-8 (includes support for Math I content).

- Personalized lesson pathway based on student benchmark results that can be modified by teachers to support classroom instruction.
- On-demand access to live English and Spanish speaking certified math teachers during evenings and weekends.
- Research based program with knowledge base for parents, teachers, and administrators to support student growth.
- Access to Imagine Math is via a convenience price contract for \$32.50 per user or \$8,450.00 per school.

Why Opt In to Home Base for NCEES?

Access the North Carolina Educator Effectiveness System

ENGAGE: NCEES provides a platform where all the pieces of a professional development plan can connect with one another including evaluations, observations and improvement plans.

LEARN: Professional Development in NCEES helps Public School Units (PSUs) manage professional development for staff through DPI PD or a Local PD Office (with opt-in) in NCEES.

SUPPORT: NCEES centralizes this information in one place to support teachers, support staff and administrators' professional growth. Track CEUs on staff transcripts.

MEASURE: PSUs utilize NCEES to measure competencies through both professional development plans and staff evaluation plans.

NCEES Informational Welcome Letter

Why use the Online Evaluation System?

Successful students

Ensure every student is on track to graduate postsecondary and workforce ready. Increase achievement for all students and close achievement gaps.

Effective teachers and leaders

Effective educator evaluation instruments based on NC teacher standards and NC standards for administrators. Increase and support the effectiveness of all educators with professional development plans. Optimize the preparation, retention, and effectiveness of new educators.

Outstanding Public School Units (PSUs)

Increase school and district performance through professional development.

Free access to NCDPI self-paced Canvas and Moodle modules aligned to staff standards and elements.

Dashboards to track standard aligned CEUs through local PD course modules and varied PD opportunities.

State Board of Education Vision

Every public school student in North Carolina will be empowered to accept academic challenges, prepared to pursue their chosen path after graduating high school, and encouraged to become lifelong learners with the capacity to engage in a globally-collaborative society.

.com

Learning.com

Learning.com (K-8 Digital Learning Initiative)

- EasyTech a complete online digital literacy curriculum that provides an engaging way to teach essential digital literacy skills through interactive lessons, application exercises, discussions, and quizzes;
- Inquiry a supplemental curriculum that takes a project-based approach to integrating digital literacy into instruction with ready-to-go, technology-infused projects for all core subjects;
- Digital Literacy Assessment assessments that provide real-time data to quickly determine students' grasp of digital literacy concepts. Aligned to ISTE technology standards.
- Training workshops and a vast array of on-demand resources such as webinars, downloadable recordings, and online content designed to address schools' and districts' unique instructional goals;
- Pricing: \$7.50 per user or \$3,200 per building license (whichever is most cost effective);
- 2018 funding initiative within Tier 1 economically distressed counties.

State Board of Education Mission & Goals

https://stateboard.ncpublicschools.gov/

Mission:

The mission of the North Carolina State Board of Education is to use its constitutional authority to guard and maintain the right of a sound, basic education for every child in North Carolina Public Schools.

Goals:

- Goal I: Eliminate opportunity gaps by 2025
- Goal 2: Improve school and district performance by 2025
- Goal 3: Increase educator preparedness to meet the needs of every student by 2025

PowerSchool SIS

PowerSchool is the official student information system used statewide by the public and charter schools of North Carolina for storing and managing student data. It maintains over 1.5 million student records and provides robust capabilities for educators and administrators to effectively manage school processes. It reinforces personalized learning by offering the ability to tailor a student's instructional path with his or her interests, skills and goals. One of its many great features is the Parent Portal which gives parents and students access to student grades and assignments online. This information is also available through the Parent Portal App for those on the go!

- PowerSchool Features: classroom scenes
- Real-time student data
- On-board scheduling utility
- Attendance tracking
- Special programs
- Student transcripts

- Parent & student portal
- Course request management
- Online course registration
- Enhanced reporting tools for state & federal compliance
- Transportation integration and much, much more!

PowerSchool PowerTeacher

PowerTeacher Pro, PowerSchool's gradebook, is intuitive with robust capabilities. It allows for traditional and standards based grading, and it is mobile friendly!

Use PowerTeacher Pro to:

- Create assignment categories
- Create assignments
- Score assignments and work with grades
- Assess student and class performance
- Refine district-level grading preferences
